

**EPIC 10 - The Epilogue**  
**Grant English & Ike Hedquist**  
**April 22/25**

***The Bible is the story of God redeeming a broken creation through Jesus Christ.***

*The wisdom literature is like the weird uncle that shows up for family reunions and weddings. Everybody is a little weary of him then you get to know him and realize...he really is that weird.*

**Psalms, Proverbs, Song of Songs, Job, Jonah, Lamentations, Ecclesiastes, Jonah**

#### **4 Guiding Principles**

***Some of the Scriptures are the broken creation's response to God and their circumstances.***

*God is okay with us being in these places. He's not okay with us staying there.*

**None of these books were designed to stand alone.**

*We now see young evangelicals walking away from evangelicalism not because they do not believe what the church teaches, but because they believe the church itself does not believe what the church teaches. -- Russell Moore*

***Read through the lens of Jesus.***

***Trust the person of Jesus, not your answers.***

#### **Application**

**Embrace the messiness to go deeper**

**Glue yourself to Jesus**

*hesed -*

*You go nowhere by accident.  
Wherever you go, God is sending you.  
Wherever you are, God has put you there.  
He has a purpose in your being there.  
Christ who indwells you has something He wants to do through you where you are.  
Believe this and go in His grace and love and power. Go be the church.*
